

# — PRIVATE LADIES' NIGHT

## Eat, Drink & Bead Merry!

We offer private Ladies' Night Parties for You & Your Friends to spend some time designing, making jewelry, laughing, and having a great time!

No Experience Necessary!

Private Ladies' Night Parties consist of 6 or more ladies getting together and "closing the boutique" with us. You and your guests will have the whole boutique to yourselves! Parties begin at 8pm, when the boutique closes, and run until 10:00pm. Bring your choice of drinks and snacks!

Each person gets to design their own jewelry from the wide selection of beads, crystals and precious metals we have available. It's your own private design party! You get full run of the boutique, to shop, design and socialize privately with your friends.

Pick out all of your beads, get assistance from our staff for design ideas, color schemes, etc. You string everything together & we'll do all the finishing work for you. No previous experience is necessary!! Tools are provided or those that do have experience.

Only \$10 sitting fee per person, 6 person minimum, 10 person maximum. Each person will be responsible for purchasing their choice of beads & components - we have selections for every budget! A \$50 reservation deposit is required at least 2 weeks in advance - applied to your invoice on the date of your party. Cancellation policy applies - we need 1 week's notice to cancel & refund your \$50 deposit. Please try to book your party at least 1 month in advance as these are very popular and tend to fill up quickly.

The items that you need to bring to the party are your choice of drinks/snacks and plastic/paper tableware (forks, napkins, plates, cups) of your choice. These items can be provided for you, at an additional cost per party. Please inquire at the time of reservation, if you are interested.

Additional reservation time can be purchased, in 30 minute increments, for only \$15 total per party (not per person). Clean up is on us!
